movebox® Vision 1040UN

The affordable movebox® Vision MBVI-1040UN Monitor brings you the fun and high quality audio and video presentation of advertising information. Just push the memory card into the slot and the show at the point of sale can begin. For the data update just change the memory card or push in your USB Flash Drive. Another highlight of this product is the built-in motion sensor and the safety glass.

Applications: Superstores, Shop Windows, Museums, Travel Agencies, Banks, Restaurants, POS, POP, POI, etc.
